

BINGO Instructions

All BINGO winner names go into a daily drawing for a gift card

Have one (1) card available for each day.

Watch for the BINGO pictures throughout the day of the conference, from the beginning of the day till the end.

We have encouraged speakers and sponsors to use the BINGO pictures any way they like, so they may be hidden on a slide.....

Vendor sessions scheduled at the same time will have the same BINGO picture.

Cross off or mark the symbol on your card as you see it.

BINGO is any direction with 5 blocks in a row, horizontal, vertical or diagonal (corner to corner).

If you have a BINGO, send a message to "Cindy" (Cindy Highberg of Total Event Services) in the virtual conference chat function.

Keep playing for another chance to win!!

All names go into the pot and a winner is drawn and announced at the end of each day.

Have fun and GOOD LUCK!
